No 100 of 12 - 2 - 74

The offg: Superintendent of Lal Bagh reports that 825 lbs of Sorgho has been harvested from the lands of the Mulberry plantation, and solicits orders regarding its disposal. —

No 31 of 13 - 8 - 75

2. In August last, Col. Poddam on special duty reported that certain individuals were supplied with large quantities of Sorgho seed to grow in lieu of the Country Cholum, which measure was approved by Col. Meade. But there is nothing

result of this cultivation

3. Col. Boddam may
perhaps be asked to report
on the subject, and furnish
his opinion as to the best
way of disposing of the
825 lbs of Sorgho cultivated
in Lal Bagh. —

Sir,

In reply to your letter W. 88
dated 6th Instant, I have the honor
to request you will be so good
as to inform me at what rates
convict labor should be charged
to the Municipal Board, whether at
a fixed rate per man, per diem,
or what would appear to be more
equitable, that the Board should be
charged at the end of each month
according to the actual work per
formed and measured up.

As it is very probable that
in certain periods of the year the
Board may not be in funds or
have no works in hand on
which the convicts may be employed,
I request to be favored with instruc-
tions as to the course to be adopted
in such a case, and whether their
services may be given to private
individuals, on payment.

Instructions are also solicited
as to what head the money thus
realized from the Board should
be credited, and it is requested
that

that copies of the forms to be adopted
may be supplied.

At present the Convicts, who
are only about 15 in number, are
engaged in baling out the water
from the well which is being
deepened for their use below the
Chupperhuth tank, but on framing
the estimate a deduction was made
on this account. The Executive
Engineer further declines to employ
the Convicts, as it is found that
their labor is too costly.

The Acting Auditor
and Accountant of Mysore

Sir,

With reference to your Letter N^o 637 of the 17th Instant I have the honor, as directed therein in para³, to submit my views on the crediting the Extra Sayer dues wholly to the Petta Municipal Board or rateably between it and the Cantonment Board.

2. The Tobacco Potees situated in the Cantonment Bazar and all Tobacco consumed either in the Cantonment or Petta pays the Petto dues, and on these grounds, the 2 Boards, though their interests are distinct, share in the revenue derived therefrom.

3 The question of taxing the Petta Community for Municipal purposes formed the subject of a correspondence between the Secretary N^o 506 of 7th June 1864 and Petta Municipal Board, and after discussions on the subject at various meetings finally resolved itself into a definite shape in Proceedings, dated 28th October 1864, on which the Commission
sanction

Sanction to an increased duty due for Municipal
purposes as marginally noted. — ^{the} Soaparie & Pepper & Maund
was accorded on distinct under- ^{Peppers 2 1/2 per Maund}
-standing that the articles actually ^{Piece Goods 1 1/4 per Cent} consumed in the Petta were alone liable to this Extra Tax.

4. The Cantonment Community have not
consented to impose any corresponding Tax on them-
selves, and therefore I come to the conclusion that they cannot
be entitled to any share in the proceeds derivable
from this source.

5. In conclusion, as an exactly analogous
case, I think that, should the Cantonment &
Municipal Board share in the Extra Taxes
levied in the Petta, the Petta Municipal
Board would have an equal right to share in
the 5 per cent. House Tax, now about to be im-
posed in the Cantonment for Municipal purposes.

I have the honor to be,

from Proceedings of a Committee Re-assembled
at the Office of the Cantonment Municipal Commission
No. 12 Residency Road. on Friday the 11th September 1894
at 7 1/2 A.M.

The Committee having re-assembled agreeably
to Proceedings, Dated 2nd September 1894, at 7 1/2 A.M.,
on the 11th Instant (all the Members being present), pro-
ceeds to read the Copy of the Madras Lighting Contract,
from which it would appear that the Lamps there in use
are of much the same description as those used at
Bangalore; but, whereas here the Lamps are lit at 6 P.M.,
and are supposed to be kept burning till 3 A.M., at
Madras the Contract provides for the Lamps being kept
burning for only six hours, viz, from 6 P.M. till midnight.

The Committee consider that the same hours might ad-
vantageously be adopted at Bangalore, and they would
recommend that the Contract be drawn up embodying
these terms with a proviso that if it is wished during
the period, the Contract is in force, to introduce a
superior description of Lamps, that the Contractor
shall bind himself to provide Lamps accordingly, at
such increased rate as shall hereafter be mutually con-
sidered by the Commissioners, and by the Contractor, as
fairly equitable.

 11/5/77

On the petition from the
 Shopkeeper, addressed to
 the Captain, they were referred
 by order of the Dep. Comm.
 who has under him the
 power to hear appeals from
 the proceedings of the Municipality.
 The Petitioner accordingly appeared
 before the Dep. Comm. who by a
 "Shara" or written judgment
 sustained him, intimating
 that he had no power to take
 up the appeal - thus directly
 contradicting the order passed
 by the Captain. Such a
 proceeding was certainly illegal
 & the order on the case from
 the Officer. But some
 allowance may be made perhaps
 for the pressure of business
 in the Dep. Comm. Office, and
 this case may be simply

Commissioner of the
Mundya Division

Sir

I. I have the honor to acknowledge receipt of your docket N. 59 dated the 12th Instant, forwarding for early and special report copy of a letter from the officiating Secretary to your address in which it is pointed out that I am guilty of an impropriety in endorsing a certain petition in terms directly contradictory to an order from the Secretary's Office

II. I can only assure Mr. Samuels, through you that the impropriety referred to was unwittingly committed. In stating the above seems to me

inasmuch as it would have been absolutely impossible for me to have committed wittingly any official impropriety where the Chief Commissioner was concerned.

III The explanation I have to offer on the Subject is as follows:- I was under the impression that I could not entertain the Complaints of the Petitioners and I looked upon the endorsement order not as an absolute direction to me to take up the Complaint; but as a guide to the Petitioners that they were to take the matter before a competent officer and hence it was that I referred the Petitioners to you being then under the impression that such was the proper course.

IV You are aware of the numerous petitioners for remission and the like at this time; and in the hurry of disposing of a number of these men, it was overlooked that these particular Petitioners were in fact lodging an appeal in my Court.

I have.

I have the honor to be
sir

As the requisition cannot

to a very large and

for the Public Works Depart-

return the forms and to

In Duffin today -

Before the heads
indent for D.P. W. form
was received, the man
states that he was shown
10 or 12 of the municipal
forms and asked how
long they would take to print
and he said 10 days.
After the receipt of the
D.P. W. indent 27 municipal
forms were sent to be
printed in 10 days -
this was impossible
having regard to the D.
P. W. indent, and as
the municipal forms do
have to be paid for when
printed here or elsewhere
I suggested that they should
be sent to a Private Press.

When the orders have
issued in Genl. Cir. No. 82;
G. 151. of 16 Nov/76 are
duly observed and Hds.
of Dep'ts. send in their
indents a year in advance
the Govt. Press could with
ease print all the forms
needed by the Mysore

interfering in the least
with the other work of the
Press - but it is mechanically
impossible to print them all
at a few weeks notice.

The Chief Commr.
observes that the site
in question is waste, i.e.,
has never been built upon,
but Chenna Shetty claims
the ownership of it, and
is said to have been in
possession since 1864, paying
rent ^(Kundayam) to the Municipality,
in order, no doubt, to secure
his right to the same
In his petition of 1873 to
the Municipality, he
refers to it "as the
site of our dwelt" from
which it is clear that
he does not claim it
as

but as that of the
community (caste) of
which he is the ^{man} ~~man~~
~~Phenna Shetty~~ He holds
no title deeds or documents
of any kind to establish
his right of proprietorship,
and Mr Saunders is
disposed to concur with
Dr. Orr that, under the
circumstances, and having
regard to the orders
issued years ago, ordering
waste sites to be reclaim-
ed, the Municipality,
as representing the
present community can
legitimately take posses-
sion of the site, as has
been done. If Phenna
Shetty can by oral or
other evidence establish
his right, or that of
his caste people, ~~he~~ it is open to him, subject of course
to the limitation rules, to

2 Mr Saunders considers
that

May be

invasion or infringement
of existing rights, and it
is ridiculous to regard
them as having
any prima facie right
to occupy the site, the
municipality should be
supported in measures
which are for the
public advantage.

Dated 11th October 1877

To

The Commissioner,
Nagar Division,
Sir,

With reference to your docket-
N^o 447 of 24th Ultimo, calling for
explanation on the discrepancies in
the Municipal Statements. N^o III for
1875-1876 and 1876-1877, I have the
honor to state the following -

† The figures mentioned in the
above alluded to, as the Octroi collections
for 1875-1876 are correct. The amount
entered for each town in the statement
N^o III of 1875-1876 is not the whole
amount of Octroi paid and the im-
posed by the contractors for irregular
payments, but is only the amount
realized, according to their accounts,
on four dutiable articles. When the
statement N^o III was submitted for
1875-1876, the tax realized on 4
articles only was entered instead,
or since, the tax of which I have

by the Actioic
fell short of the bid. A copy of the
Statement N^o III of 1875-1876 was
sent with the Statements for 1874-1875,
and 1876-1877. A fresh Statement
containing the tax realized on 9 articles
as per accounts furnished by the Actioic
Contractors, is now submitted. It will
be seen from this Statement that the
amount entered for each town, falls
short of the amount mentioned in the
Collection Register which is the amount
of the bid and the interest thereon.

II The same reason that the Statement
was prepared from the accounts furnished
by the Contractors holds good with
regard to the Statement N^o III of
Habaripur for 1876-1877. As for
Statement No III of Chituldong, the
difference of 9 pies is due to a clerical
mistake.

III The Statement is corrected now
and resubmitted.

Passing orders on the theft

the Commissioner of the
Nagar Division reporting the
circumstances connected with
the theft of jewels of the
value of Rs 1225-2-0 belonging
to the Kuchrayaswami
Temple at Sukarapur, Shimoga
District

No 3746 of 27th Feb 1928 Order thereon. — On a perusal of the Dy
Commissioner's report and the
proceedings submitted with the
above letter, the Chief Commr
observes that the theft in
question has been facilitated
partly by remissness on the
part of the Temple servants
and partly by allowing
Bhenumah, who for previous
misconduct, was interdicted
from entering the temple to
officiate as decorator. Attention

Bheemabai's Conduct. in the present instance is open to grave suspicion yet as Patel Bhunappa is the person who has executed a *mulbilka* to the Sheriff holding himself responsible for the jewels and other properties of the temple he must be held primarily answerable for the loss and required to make good the value of the stolen jewels at once, being left at liberty to recover the amount from Bheemabai and Modamma if he thinks proper to do so.

2 ^{It is remarkable that} Although there were responsible servants ^{attached to} of the temple none of them watched the temple on the night in question. From their depositions it would appear that only on special occasions

sleep in the Devasthan
 and watch the place. In
 Muzrai officer's attention ^{to this} should
 be drawn with a view to the
 arrangements being made a
 would ensure the temple
 being properly watched at
 night. ~~and~~ It may perhaps
 be practicable to ^{depute by} ~~select~~ two
 of the temple servants daily
 for this purpose.

3. The Parpithgar is
 reported to be a man of
 straw and as such
 longer be permitted to be the
 manager of the temple. The
 proposal to remove him
 from office and to recover the
 amount due by him ~~from~~
 from Mudammah and Meeunah
 is approved.

To

The Secretary to the
Chief Commissioner of
Revenue
District Department
Bangalore.

Sir,

I have the honor to
request you will do me the favor
to bring the following circumstances to
the notice of the Chief Commissioner.
In January last one Lingappa Shan-
bhogue sub-District Officer employed
in the Petta Municipality a furlough
for a few days leave to proceed to his
village on the plea of sickness, leave was
accordingly granted him and one Banappa
appointed to perform the duties during
the permanent circumstances temporary
absence; On the first instalment of
assessment falling due it was discovered
that several payments that had been
made by different parties to Lingappa
had not been credited by him to
the Municipality and on further
inquiry it came to be known that
about Rs. 1. had thus been appearing as
misappropriated by Lingappa.

The Commissioner's letter on the 21st of February 1878. where it was determined that an application should be made to the Amildar for the apprehension and prosecution of Lingappa. under Section 406 of the Indian Penal Code. Meanwhile Lingappa's Brother-in-Law Dora Shasthagiriappa presented himself before the Amildar and stated that he was well assured that Lingappa had no intention of misappropriating the money he had collected and that his severe illness and consequent hurried departure had been the sole cause of these amounts not having been duly accounted for. That he was prepared to make good the defect, on the condition that further proceedings against Lingappa were stayed, he was requested to submit a statement in writing embodying what he had to say and which statement together with its English translation is hereinafter appended. It will be observed that Shasthagiriappa solicits that his cousin Trambavolliappa who is the next representative of the family may be appointed to the vacant situation; these appointments as perhaps the Chief Commissioner is aware are hereditary in certain families and Trambavolliappa may therefore be considered to have a certain claim to the vacant situation. I have the honor to request I may be favored with the Chief Commissioner's orders as to how I am to act in this matter.

I have the honor to be
Sir,
Your most obedient servant.

Sir,

I have the honor to forward for submission to the Chief Commissioner and for such orders as he may consider necessary a chahazur from the Retail Anach Vendors of the Town and Cantonment of Bangalore together with Indorsement No: 766 of 28 March 1878 from the office of the Commissioners & Deputy Secy of Division.

The petitioners complain that the Contractors demand from them a security equal in amount to the average monthly sales effected in their shops during the past twelve months, that to those who consent to the same an amount anach is being issued at the rate of Rs 4-15-0 per Gallon, while those who decline to make the required deposit are charged Rs 5-11-6, thus leaving a profit of only Rs 2 and pice 6 pice - fallow to the Vendors instead of Rs 5 as provided in Clause A of Section 21 of the Contract Bond.

I have the honor to be,

Government Secretariat Office

To:

The Secretary to the
(Chief Commissioner of Mysore
Revenue Department
Sir,

I have the honor to acknowledge
the receipt of your Docket No. $\frac{5809}{328}$
10th instant pointing out certain
differences between the Returns
submitted with my Docket No. 3074
of 16th December 1880 and the Form
No. III embodied in the printed
Report for 1879-80 and requesting
an explanation for the same and
in reply beg to offer the following
explanation:

The figures shown in Form No. III
printed with the Annual Report
are correct - but the difference

Rupus 100/- under head Tobacco
as shown in Statement No. III is
due to the Collection in the Cantonment
Kote for the month of January
having been by an oversight in this
office inserted as Rupus 2910 " 4. 10 X
for Rs 2810 " 4. 10

The difference of Rupus 7 under
head Dry Cocoanuts is due to the
Collection of Duty for Storage and
Rahadavies in the Town Kote during
the month of November 1880 having
been erroneously transferred to
Collection of duty on Dry Cocoanuts
the Collection under the latter item V
was Rs. 102. 3. 0 and is in former
Rs 18. 9. 8

The difference in the quantities
of Tobacco is made up as follows

Cantonment Kote during the month X
of January 837 ^{2 mos} ^{Seers} — $6\frac{1}{2}$ and not
^{mos Seers}
833 — $6\frac{1}{2}$ as entered in the Return.

The Quantities as shown in
statement no. III during the month
of March are correct - but in the
Annual Report of 1890 have been
inserted in excess, the correct
quantity taxed during the year
amounts to ¹⁰⁰⁰ 10,366 - 13 ¹/₄ .

In Conclusion I beg you will
be so good as to have the Statements
corrected as above or if they are
returned to this office the necessary
corrections will be made and the
Returns resubmitted with the
least practicable delay.

Have the honor to be
Sir

Yours most obedt & devoted

President C. C. C. C. C.

In reply, observes
that if the amount
of collections from the
duty on dry and green
Cocoanuts from H. M's
Territories for November
1879 is altered to Rs 102-
as requested, the quantity
2 1/2 mds, requires necessaril
to be reduced to 1 mds
if the duty levied. The
same remark applies
to tobacco also. If the
realizations in January
that article imported
H. M's Territories are on
Rs 2870-4-10 as brought
to notice the quantity
taxed should be less
than even what is given
in the statement of

receipts for entertainment,
viz ^{mos} 833 - 6 1/2 -

2. The Octroi statements
for the Town and Cantt: are
herewith returned for the

Colonel C F Pearse

Deputy Commissioner

Mysore District

Most respected Sir

We the undersigned inhabitant of Arkulga Talook beg to bring the following few lines to your kind consideration

On the 5th of February we had petitioned you on our humble requests to get the newly established English school in the place confirmed, and again on the 10th February we had sent a petition through the Deputy Amildar of this place, who in obedience to your honour's order came and examined the school and in whose person we all agreed to pay the school fees of 8 annas per month as per order, but we were no fortunate enough to receive any reply for them.

At present 30 boys are reading in the school and some other boys are expected to come and join the English class on the condition of getting it confirmed

The rumour that the opening of the English class should be deferred until further orders has hindered the attendance of the school Fully believing that your

us all we humbly beg you to send us
order to the effect that the newly estab-
lished English school has been confirmed.

We hearing that there is a proceeding
to the effect that for the expences of the
school half should be met with the
Municipality and the other half with
the school fees. We are ready to act
according to your honour's orders and we
humbly beg to get the said English
school confirmed. Our boys are very
earnest to receive the English

Education. We are certain that if our
boys does not learn the English language
they will be obliged to lead a miserable
life and be a burden to our family:

They cannot go to other places and
study there. They say that they learn
in one month what other school boys learn
in 3 months. Some of the boys are
reading for the ensuing Middle
School examination and some of them
have nearly finished the First book.

The progress and the welfare of our
boys and of us is chiefly depending
upon your getting the school confirmed

In conclusion we all with one heart
humbly beg your honour to comply

For such act of Kindness
and charity we in duty
bound shall ever pray
for your long life and
prosperity

beg to remain most
honoured Sir

your most obedient
and humble subjects

Sir:-

I have the honor to make the following application regarding the Bowring-
=pet School.

1 On the representation of the
deputy Commissioner and the
people an English School was
opened there on 1st September 1881,
experimentally with a master on
Rs 20 transferred from Kolar. The
success of the school has been very
marked the attendance being 45
and the standard up to that of
the middle. I inspected the
school myself on the 31st October and
found that good work was being
done. The same opinion has been
recorded by all the visitors to the
school. It seems therefore desirable
to make ^{some} arrangements for ch
3 The fees may prodr

as yet in a position contribute anything to the cost. but I was given to understand that Rs 100 a year might perhaps be available in future from this source. The cost of the school at the lowest estimate will be Rs 32 a month viz.

Headmaster . . .	25
Pupil Teacher . . .	5
contingencies . . .	2
	32

I beg to propose that as a special case and considering the prosperous way in which the school has commenced a contribution from government be made of the balance necessary to provide the above establishment beyond ^{what} is realized from school fees until such time as the municipality can take the cost upon themselves

Sir..

In reply to the enquiry in
docket N° 7993/61 of 11th instant, I have
the honor to state that the Kolar
School cannot do without a
teacher in place of the one
transferred. A substitute is
temporarily acting for him and
his pay at Bowringpet is being
met for the time being from
the provision for a Taluk Master
the occupant for the latter post
being incapacitated for work and
his papers having gone up for
an invalid pension.
